

LRRK2 Full Length Protein (Life Technologies)

Product Name:
LRRK2 Full Length Protein

1-2527 Amino Acids

Tag: DYKDDDDK

Product Number:
TBD

Concentration:
Variable

Expression System:
Baculovirus

Sizes Available:
10 ug and 1 mg

Available Through:
Life Technologies

Species:
Human

References:
Discounted prices on various amounts of protein and number of aliquots are available for current MJFF awardees. Please notify Life Technologies regarding your MJFF awardee status upon purchase.

Gene:
NP_940980.2

Protein Length:
